Standby procedures: Subject to the approval of the department head; those employees desiring to be on call-back for urgent or emergency situations occurring after hours shall submit their names for inclusion on a call-back list. The names will initially be placed on the list by lot. Said list will rotate each time the first employee on the list works overtime and said employee will then move to the bottom of the list. Calls for call-back or overtime will first be offered to the employee whose name appears at the top of the list. Any employee who, after reaching the top of the list, is unavailable or declines four times shall be removed from the list for a period of six (6) months. The person on the standby schedule will be required to carry a City cell phone or pager and respond after hours when needed, and when responding shall be properly dressed for work (meaning with proper safety equipment and, as a minimum, a City shirt to identify them as a City employee). The employee responding to a call-back request must be ready to perform needed duties within thirty (30) minutes of being called. "Readiness" for call-back requires that the employee has not partaken of alcoholic beverages or any other substance that would or could impair their judgment.
2. Standby Compensation: Employees who are on standby shall receive 9 hours of base pay for each full week that they are on standby, pursuant to the schedule in subsection 3, below.
3. Standby Schedule: The standby period shall be from Monday 8:00 a.m. through the following Monday at 8:00 a.m. In the event that a holiday falls during a standby week, the employee on standby shall receive an additional eight (8) hours of pay for each holiday. For 9/80 employees, holiday pay will be 9 hours for each holiday in which the employee is subject to standby as described herein.
4. The parties hereby agree that an employee covered by this agreement that is on standby and is called out to perform work for the City shall receive a minimum of two (2) hours pay. If the call-out incident takes longer than two (2) hours, the longer time period shall be used in calculating compensation for the employee. Management reserves the right to have employees perform other tasks as assigned during the period of time for which they are being paid for the call-out but are no longer required for the initial standby request. Plant checks, as described below, when performed by the member who is on standby shall not qualify for the call-out pay described in this section.
5. Regardless of this provision, the City may direct any employee to respond to an emergency.

ARTICLE VII - ATTENDANCE AND LEAVES

A. HOURS OF WORK

The City desires to implement a work schedule based on the 9/80 work day format. This means generally that employees will work four (4) 9-hour days in one week and one (1) 8-hour day on Friday of that same week. The following week will be comprised of four (4) 9-hour days with Friday off. Exceptions to this work schedule may be granted by the employee's supervisor, when in the supervisor's opinion, the exception is warranted to allow the employee to provide adequate care for dependents or work conditions require that another schedule should be followed. An employee may appeal to the City Administrator any denial of a request to work an alternate schedule. Nothing in this section provides for or implies any additional compensation or benefit for work on an other-than-normal work week, work day, or work schedule, except as expressly provided in this MOU. The provisions of Personnel Rule XII, Section 1, shall each be applicable here and are incorporated by reference.

B. REST PERIODS

(See Rule XII, Section 2, Page 30, Personnel Rules)

Rest periods will normally be provided to employees at the rate of 15 minutes for each 4 hours worked. Further, except under unusual circumstances, rest periods will not be taken during the first or last hour of the work day. Since rest periods are paid time, nothing in this section provides for or implies any additional compensation or benefit when a rest period is not received. The location at which such rest period shall be taken may be determined by the appropriate department head or department head designee.

C. ANNUAL VACATION LEAVE

(See Rule XII, Section 3, Page 30, Personnel Rules)

1. Vacations will be scheduled not less than 60 days in advance with the prime consideration being whether the necessary functions of the department can be adequately maintained in the absence of the requesting employee. Whenever two (2) or more employees choose the same vacation period, the matter will be settled on the basis of seniority. Vacations of more than five (5) working days will not be split unless previously agreed to in writing by the employee. Emergency vacation leave of less than five (5) working days may be granted if the employee gives reasonable prior notice.

2. No such requests for vacation leave will be denied unless the City can adequately establish that the necessary functions of the department would be seriously jeopardized by the postponement of any function caused by the absence of the subject employee.

3. Any employee who has accumulated vacation time in excess of the amount allowed for two (2) years' continuous service shall forfeit such excess accumulated vacation leave unless the affected employee has made arrangements acceptable to his or her supervisor or to the appropriate department head for use of such excess accumulated vacation leave in accordance with this rule or unless otherwise specifically approved by the Personnel Officer. Vacation leave shall be earned in accordance with the following schedule and shall be credited in arrears.

Eligible employees shall earn vacation credits at the following rate:

YEARS	DAYS	HOURS	MAX ACCRUAL
0-3	12	96 hrs.	192 hrs.
4-8	15	120 hrs.	240 hrs.
9-15	18	144 hrs.	288 hrs.

20	25	200 hrs.	400 hrs.
21	26	208 hrs.	416 hrs.
22	27	216 hrs.	432 hrs.
23	28	224 hrs.	448 hrs.
24	29	232 hrs.	464 hrs.
25+	30	240 hrs.	480 hrs.

VACATION ACCRUAL SCHEDULE PER PAY PERIOD
YEARS OF SERVICE

0-3 years 3.70 per pay period
 4-8 years 4.62 per pay period
 9-15 years 5.54 per pay period
 16-19 years 6.46 per pay period
 20 and up is based on length of service

NOTE: Where vacation accrual rates are listed above, the rate commences at the beginning of the listed year. (For example - employees accruing at the 4-8 year rate would begin at that new rate at the beginning of their fourth (4th) year of employment).

Time used for vacation pay is included in determining the length of an employee's continuous service with the City and his or her entitlement, if any, to any employee benefit dependent upon the employee's length of continuous service.

4. Employees may take vacation leave in the amount of days accumulated at the time of such leave. Provided that for good cause shown and upon prior approval of the Personnel Officer, an employee may advance vacation in an amount not to exceed five (5) additional days. Further, on prior approval of the Personnel Officer, an employee may elect to receive a lump sum cash payment in lieu of vacation leave. The Personnel Officer may, in his or her sole unfettered discretion, deny any request for a lump sum cash payment in lieu of vacation leave. Any request for a lump sum cash payment in lieu of vacation leave shall be submitted in writing, to the employee's direct supervisor or department head for review and submission to the City Administrator who shall notify the department head or appropriate supervisor of his or her determination. In determining whether to grant or deny a request for a lump sum cash payment in lieu of vacation leave, the City Administrator may consider, among other things, the frequency of such requests, the maximum amount of vacation leave accrued by the employee, the amount of accrued vacation leave that will be retained by the employee in the event the

request for a lump sum cash payment in lieu of vacation leave is granted, the amount of vacation leave actually taken by the employee prior to the time the request is made and any other factors considered relevant by the City Administrator. If the employee's request for a lump sum cash payment in lieu of vacation leave is approved by the City Administrator, payment is to be made to the employee within four weeks. Such payment will be made from regular payroll and will be taxed in accordance with Internal Revenue Service guidelines regarding supplemental wage payments. For purposes of computing annual vacation leave, a working day shall be considered as one-fifth of the number of working or duty hours in the established work week. For purposes of computing annual vacation leave, a working day shall include all days used as vacation leave. Employees shall be allowed to cash out up to 20 hours of vacation time in December of each year so long as the employee has at least 80 hours of accrued vacation credit.

5. In the event one or more municipal holidays falls within an annual vacation leave, such holiday shall not be charged as vacation leave, and the vacation leave shall be extended accordingly, if taken.

D. SICK LEAVE

(See Rule XII, Section 4, Page 32, Personnel Rules)

1. Sick leave with pay shall be granted to all probationary and regular employees within the competitive service. Sick leave shall not be considered as a right which an employee may use at his or her discretion, but shall be allowed only in case of personal necessity or actual personal sickness or disability. Personal necessity sick leave of up to 45 work hours per year may be requested. Personal necessity sick leave is defined as sick leave for non-personal sickness but in the care of sickness of a family member.
2. In order to receive compensation while absent on sick leave, the employee shall notify his or her immediate supervisor or the Personnel Officer prior to, or within four (4) hours after the time set for beginning his or her daily duties, or as may be specified by the department head. In those situations which have rendered the employee incapable of reporting absence as specified above, the employee shall report at the earliest possible time. When absence is for more than three (3) working days, the employee shall be required to file a physician's certificate of personal affidavit with the department head stating the cause of his or her absence, without revealing confidential medical information.
3. For purposes of computing sick leave, a work day shall be considered one-fifth of the number of working days or duty hours in the established work week for each employee. The amount of sick leave utilized by the employee shall be based on the actual number of hours off work, even if less than a full work day.
4. Sick leave shall be earned at the rate of 3.7 hours per pay period and is also earned while on sick leave. No payment shall be made for accumulated sick leave at the time of termination of employment.
5. An employee receiving temporary disability payment under the Workers' Compensation laws may use accumulated sick leave in order to continue to maintain his or her regular income. However, all employees receiving other salaries in lieu of temporary disability payments

pursuant to Section 4850 of the Labor Code are entitled to accumulate sick leave during such periods of disability.

6. When accumulated sick leave is exhausted, the employee's pay shall terminate until the employee returns to work. However, an employee with vacation credits may, upon written request to the Personnel Officer, use all or any part of his or her vacation credits as sick leave with pay only when his or her sick leave is exhausted. The Personnel Officer may grant a leave of absence without pay for the duration of the illness.
7. Time used for sick leave is included in determining the length of an employee's continuous service with the City and his or her entitlement, if any, to any employee benefit dependent upon the employee's length of continuous service.
8. Association members may convert unused sick leave to service credit for purposes of calculating retirement benefits in the time and manner prescribed under the California Public Employees Retirement Laws (2013 edition) and as consistent with the City's contract with the Public Employees Retirement System.

E. BEREAVEMENT LEAVE

(See Rule XII, Section 5, Page 33, Personnel Rules)

Bereavement leave with pay shall be granted to all regular and probationary employees upon the death of a family member. Family members are defined to include husband, wife, domestic partner, father, mother, mother-in-law, father-in-law, brother, sister, brother-in-law, sister-in-law, stepfather, stepmother, aunt, uncle, children, stepchildren, grandmother, grandfather, grandchildren, or any relative living in the same permanent residence as the employee. Such leave of absence is not to exceed three (3) days, or five (5) days if out-of-state travel is required. However, an employee may use up to three (3) days of accrued sick leave in accordance with this section in addition to or in lieu of bereavement leave. The time used for bereavement leave is included in determining the length of an employee's continuous service with the City and his or her entitlement, if any, to an employee benefit dependent upon the employee's length of continuous service.

F. MILITARY LEAVE

(See Rule XII, Section 6, Page 34, Personnel Rules)

Military leave shall be granted in accordance with the provisions of federal and California state law. Employees entitled to military leave shall give the department head an opportunity within the limits of military regulations to determine when such leave shall be taken. Employees who serve in U. S. military organizations or National Guard groups may take the necessary time off with pay to fulfill this obligation. Reinstatements of individuals returning from military leave shall be done in accordance with the applicable Military and Veterans Codes of the United States and the State of California.

Employees are eligible for reemployment after completing military service, provided the employee provides copies of the military orders to the department head upon receipt; military service is entered directly from employment with the City and active duty service is satisfactorily completed; and reemployment is applied for and takes place within ninety (90) days after discharge from active duty. An employee returning from up to six (6) months active duty for training must apply within thirty (30) days after discharge.

G. LEAVE OF ABSENCE WITHOUT PAY

(See Rule XII, Section 8, Page 34, Personnel Rules)

The Personnel Officer may grant an employee leave of absence without pay or seniority for not to exceed three (3) months. Leaves in excess of three (3) months must be approved by the City Council. No such leave shall be granted except upon written request of the employee, setting forth the reason for the request, and the approval will be in writing. Upon expiration of a regularly approved leave or within a reasonable time after notice to return to duty, the employee shall be reinstated in the position held at the time leave was granted. Failure on the part of an employee to report promptly at the expiration of his or her leave, or within a reasonable time after notice to return to duty, shall be cause for discharge.

Time used for leave of absence without pay shall not be included in determining the length of an employee's continuous service with the City and his or her entitlement, if any, to any, employee benefit dependent upon the employee's length of continuous service.

Department Heads may grant an employee leave of absence without pay for not to exceed one (1) calendar week. Such leaves shall be reported to the Personnel Officer.

H. PREGNANCY DISABILITY LEAVE

(See Rule XII, Section 10, Page 37, Personnel Rules)

The purpose of this section is to implement the provisions of the California Pregnancy Disability Act. An employee is entitled to pregnancy disability leave immediately after she is hired. An employee is entitled to up to four (4) months unpaid leave for the period the employee is actually disabled by pregnancy. Pregnancy disability is defined as a certified medical condition caused by pregnancy, childbirth or other medical condition related to pregnancy. An employee's need for Pregnancy Disability Leave does not simply arise because an employee is pregnant, but rather, when her pregnancy or a related condition imposes a physical disability. The City may require an employee be granted leave under this provision to exhaust accrued sick leave. The employee may request to use accrued vacation leave and/or compensatory time off in order to receive compensation during the unpaid portion of her Pregnancy Disability Leave. The employee should give the employer at least thirty (30) days advance notice where it is foreseeable the employee will need to take Pregnancy Disability Leave. If such notice is not possible, such as during an emergency or unforeseen complication, the employee is required to give notice as soon as practicable. Employees returning to work after Pregnancy Disability Leave may be required to have a written release from a physician verifying that they are able to return to work. Pregnancy Disability Leave may be used intermittently. Employees who have exhausted or are no longer qualified to receive Pregnancy Disability Leave, may request an additional twelve (12) work weeks of leave in accordance with Family Medical Leave.

I. WITNESS AND JURY DUTY

(See Rule XII, Section 12, Page 38, Personnel Rules)

Every regular employee of the City who is called or required to serve as a trial juror, upon notification and appropriate verification submitted to the supervisor, is permitted to be absent from

his or her duties with the City during the period of such service or while necessarily being present in court as a result of such call.

Regular employees required to perform jury services during their normal scheduled work hours shall receive their base pay for those hours of absence from work. Employees are required to deposit with the City any pay, other than mileage, received from jury service on City time. Such employees are required to deliver a "jury duty time card" form verifying the hours of jury duty service. Employees should note that per Section 215 (b) of the California Code of Civil Procedure, any employee of a federal, state, local government entity, or by any other public entity as defined by Section 481. 200 and who received regular compensation and benefits while performing jury duty shall not receive compensation from California courts.

Personal holidays not used in any fiscal year are forfeited and may not be accrued.

When a holiday falls on a Saturday, the preceding Friday shall be observed. When a holiday falls on a Sunday, the following Monday shall be observed. If a holiday falls on an employee's regularly scheduled time off, equivalent time off shall be granted.

The "in-lieu" amounts available to employees cannot exceed the lowest cost premium amount for medical, dental, and vision respectively. Employees shall be in attendance at their work in accordance with the rules regarding hours of work, holidays, and leaves. All departments shall keep daily attendance records of employees which shall be reported to the Personnel Officer in the form and on the dates he or she shall specify. Failure on the part of an employee who is absent without leave to return to duty within 24 hours after notice to return shall be cause for immediate discharge, and such employee automatically waives all rights under the Personnel Rules. The depositing in the United States mail of a First-Class letter, postage paid, addressed to the employee's last known address shall be reasonable notice.

C. OUTSIDE EMPLOYMENT

(See Rule XII, Section 15, Pages 39-40, Personnel Rules)

Employees may engage in outside employment, in addition to their City employment, only under the following conditions:

1. There shall be no conflict of interest or incompatibility with the employee's City employment;

3. No telephone calls or personal contact concerning the outside employment shall be made during the hours of City employment;
4. Each employee shall report all outside employment to his or her department head and shall secure the written approval of such department head and the Personnel Officer prior to the commencement of outside employment. If so employed upon first being considered by the City for employment, the employee shall declare such employment if the employee intends to continue such outside employment.

D. LAYOFF PROCEDURE

(See Rules XVII, Section 2, Pages 45-46, Personnel Rules)

Whenever, in the judgment of the Personnel Officer and/or the City Council, it becomes necessary to abolish any position or employment, the employee holding such position or employment may be laid off or demoted. The City shall notify the Association when a lay-off is being contemplated. Employees shall have no reasonable expectation of continued employment in the case of lay-offs. The Personnel Officer and/or City Council reserve the right to eradicate any position, and to lay off employees for lack of work or funds, and for reorganizational purposes. In effecting any layoff or demotion under this section, the procedures set forth here shall be followed:

1. Notification: Employees to be laid off shall be given, whenever possible, at least 14 calendar days prior to notice.
2. Vacancy & Demotion: Except as otherwise provided, whenever there is a reduction in the work force, the appointing authority shall first demote to a vacancy, if any, in a lower class for which the employee who is the latest to be laid off, in accordance with Section 2(e) of this Rule, qualified. All persons so demoted shall have their names placed on the reemployment list
3. Employee Rights: An employee affected by layoff shall have the right to displace an employee in the same department who has less seniority in a lower class in the same series or in a lower classification in which the affected employee once had regular status. For the purpose of this section and Section 2(d) of this Rule, seniority includes all periods of full-time service at or above the classification level where layoff is to occur.
4. Seniority: In order to retreat to a former or lower class, an employee must have more seniority than at least one of the incumbents in their retreat class and request displacement action in writing within five (5) working days of receipt of notice of layoff.

Employees retreating to a lower or similar class shall be placed at the salary rate representing the least loss of pay. In no case shall the salary be increased above that received in the class from which the employee retreated. Employees retreating to a lower or similar class shall serve a probationary period in the new class unless they have previously successfully completed a probationary period in the class or a class in the class series.

5. Employment Status: In each class of position, employees shall be laid off according to employment status in the following order: temporary, provisional, probationary, and regular.

Temporary, provisional, and probationary employees shall be laid off according to the needs of the service as determined by the appointing authority. In cases where there are two (2) or more regular employees in the class from which the layoff is to be made, such employee shall be laid off on the basis of the last evaluation rating in the class, provided such rating has been on file at least thirty (30) days and no more than thirteen (13) months prior to layoff.

If two (2) or more regular employees, in the class from which the layoff is to be made, with the same last evaluation rating in the class shall be laid off in inverse order of seniority of City service.

6. Reemployment List: The names of persons laid off or demoted in accordance with these Rules shall be entered upon a reemployment list. Lists from same class of position shall be combined into a single list. Such list shall be used by every appointing authority when a vacancy arises in the same or lower class of position before certification is made from an eligible list
7. Duration of Reemployment: Names of persons laid off shall be carried on a reemployment list for one (1) year, except that persons appointed to positions of the same level as that which was laid off, shall, upon such appointment, be removed from the list. Persons who refuse reemployment shall be dropped from the list. Persons reemployed in a lower class, or on a temporary basis, shall be continued on the list for the higher position for a least one (1) year.

E. UNIFORMS

The City will maintain its current practice of providing compensation for uniforms for qualifying positions. This practice consists of providing a stipend for uniform maintenance during the first month of each quarter. When paid, this stipend shall be considered a part of compensation for purposes of calculating the retirement benefits for CalPERS only where permitted by law or CalPERS Regulations.

F. SHOE/BOOT ALLOWANCE

Employees of the Association may be required to wear a particular shoe or boot to adequately perform his/her duties, as approved by their Department Head. In the event employees are required to wear such footwear, employees will be allotted an allowance of \$300.00 per year, paid in two installments in January and in July of each year. Ordinarily, shoes/boots must minimally comply with applicable OSHA standards; however even OSHA compliant footwear must be approved by the Department Head. In the event boots or shoes are required by a department they are deemed to be a part of the required City uniform. Employees not wearing required footwear may be required to leave work without pay until they return with appropriate footwear and may be subject to disciplinary action for repeated non-compliance.

H. ATTORNEYS' FEES

If litigation is undertaken to enforce or interpret the provisions of this Agreement, including but not limited to, any motion, writ proceeding, or other proceeding, whether before a court or

administrative body, the prevailing party in such litigation shall, at the discretion of the court or adjudicating body, be entitled to an award of reasonable attorneys' fees, in addition to any other relief awarded.

It is strongly recommended, but not required, that grievances be documented in writing along with any responses at the informal level. Informal discussions shall be initiated within twenty-one (21) calendar days from the date of the incident. If after this discussion, the employee does not believe the problem has been satisfactorily resolved, the employee shall have the right to discuss it with their department head. Every effort should be made to find an acceptable solution by informal means at the lowest possible level of supervision. 2. **City Administrator Review:** The City Administrator receiving the grievance or a designated representative shall discuss the grievance with the employee and the employee's representative within thirty (30) calendar days upon receiving the grievance. If the City Administrator fails to render a decision to the satisfaction of the aggrieved party within thirty (30) calendar days, a fact-finding committee may be appointed. The committee shall be comprised of a designated representative of the City, a representative appointed by the aggrieved party, and a third member appointed by mutual agreement of the other two. The

fact-finding committee shall render a recommendation on the grievance to the aggrieved party and the City Administrator within twenty (20) calendar days after reviewing the grievance.
