City begins planning the 2016-2017 budget

RESIDENT INPUT FOR SUGGESTED CONSIDERATIONS WANTED

City officials have started the budget process for the next fiscal year that begins on July 1. An important part of developing a budget is hearing from residents and stakeholders of their priorities for City projects, programs and services. Public outreach efforts that discuss the budget process will help gather ideas and comments from the residents to develop a strong fiscal plan.

The City Council will hold community Town Hall meetings to discuss the budget. The meeting will be on Tuesday, March 29 at 6PM at the Chowchilla Senior Center, 820 W. Robertson Boulevard.

Residents are also encouraged to share ideas by email to Info@CityOfChowchilla.org. You can also mail or drop-off your comments at Chowchilla City Hall, 130 S. Second Street, Chowchilla, CA 93610, Attn: Community Relations Manager.

CASUAL GET-TOGETHERS WITH INFORMAL DIALOGUE

The next **Community Conversation – Let's Talk Chowchilla** will be on Tuesday, March 15 from 12:30-1:30PM. Join your City officials at the NEW **Deli Delicious** at 1435 E. Robertson Boulevard (a couple doors east from Savemart) and talk about our community.

Community Conversation – Let's Talk Chowchilla brings your local government out into the community where you can meet in casual venues to talk about general interest topics or specific one-on-one issues. City representatives at these programs want to hear from the residents and stakeholders. The desire is to build relationships and encourage opportunities for communication to improve the quality of life in our community.

The informal sessions are conducted each month on the third Tuesday at different locations around the community. Future dates are listed on the City web site at www.CityOfChowchilla.org.

Joann McClendon becomes new City Clerk

Standing before the City Council, family, friends and co-workers, Joann McClendon was officially sworn in as the new City Clerk for the City of Chowchilla. Performing the honors was retired Chowchilla City Clerk and Past President of the City Clerks Association of California, Nanci Lima, who mentored Joann and guided her as she attained the skills to grow and professionally handle the many important responsibilities of a City Clerk.

Joann is a Certified Municipal Clerk (CMC), a designation that enhances the job performance of municipal clerks across the United States. She achieved her CMC qualification by attending extensive education programs, obtaining relevant local government work experience and making professional contributions to the clerk profession. The Certified Municipal Clerk designation ensures that Joann has developed the skills and knowledge necessary to meet the challenges of the complex role of a City Clerk.

Having worked for the City of Chowchilla since 2002 Joann brings valuable knowledge and talent to the City's management team.

Springtime means weed abatement time

The City of Chowchilla **WEED ABATEMENT PROGRAM** is in place to keep properties clean and cleared of debris and open grounds tilled to minimize fire hazards and blight. This is a year-round activity but becomes more significant in the spring when plants grow more quickly. The ongoing drought conditions have made the problems worse as properties become filled with dry grass, weeds and trash that pose a significant fire threat during the March through September fire hazard season.

City staff work with property owners if their lots need cleaning to bring the properties into compliance with the **WEED ABATEMENT PROGRAM**.

Property owners are notified by mail if their properties are in violation. If no visible attempt is made to clean the property within a specified timeline, the property will be cleared by the City. The property owner will then be charged for the cost of the abatement in addition to an administrative fee that can total more than \$300.

Of course the City would prefer that property owners properly and safely maintain their properties to not detract from the surrounding neighborhoods and to minimize or eliminate the chance for fires.

For information contact the City's Community & Economic Development Department at (559) 665-8615, ext. 787.
